## Cardholder Dispute: Lost, Stolen, or Compromised Card

Cardholder must complete Steps 4, 5, and 6. (The plastic card will be blocked)

Per the Federal Reserve Board's Regulation E, Electronic Fund Transfer Act, I understand that if my lost/stolen card is used for an Electronic Fund Transfer I could lose all the money in my account plus my maximum overdraft line of credit. If I told you within 2 business days, I can lose not more than \$50.00 if someone used my card without my permission. If I DO NOT tell you within 2 business days after I learn of the loss or theft of my card and you can prove you could have stopped someone from using my card without my permission if I had told you, I could lose as much as \$500.00. If fraudulent activity does occur and I have notified you within 2 business days of the loss or theft of the card, I further understand that I will NOT be reimbursed for the first \$50.00
